

Update from Little Gems

To all parents,

We would like to inform you of a change in location for our Washington Little Gems branch, our Galleries store won't be reopening after the current lockdown as we are moving to a much bigger and more suitable unit on Crowther Industrial estate where we will have lots more space to hold extra stock and our own carpark directly outside.

During the summer months we will be offering late night opening for parents who work full time and struggle to get in store during working hours.

Our new address is
The School Outfit
11 Brockwell Road,
Crowther Industrial Estate
Washington
NE38 0AF

Many Thanks
The School Outfit (Little Gems)
