

Curriculum Design

Every Child is a Star...It is our job to make them shine!

Our curriculum is the driving force ensuring that all children enjoy their education and thrive in a highly organised, stimulating environment designed to meet the needs of every child in the 21st Century.

Immersive Days – Expert staff deliver their favourite subject area with infectious enthusiasm!

Curriculum Rooms – designed to inspire life-long learners through memorable experiences leading to fluency in a range of fundamental skills

Enhancements – to be curious and enquiring: overcoming barriers and challenges with courage and determination

- ✓ Uses teacher expertise and their passion for their subject area
- ✓ Supports teacher workload
- ✓ Teach across two-year groups to aid transition and develop continuity and progression of skills
- ✓ Key teachers deliver the immersive day subjects resulting in a greater impact within the subjects eg CPD, embedding initiatives, monitoring and developing areas for improvements

- ✓ Able to explore the wider curriculum in small groups with specialist staff
- ✓ Deep learning opportunities through well-resourced curriculum rooms – cookery, art, Invention Shed (DT), Zen Den (Reading/wellbeing) and Science Hub
- ✓ Enables vulnerable children to cope with the school day by providing an alternative provision to the classroom environment
- ✓ Practical activities allowing cross curricular connections eg. Measuring in cookery

- ✓ Residential experiences/Educational Visits
- ✓ Mini Medics
- ✓ Outdoor Math's Learning
- ✓ Peripatetic Music Tuition
- ✓ Free after school clubs
- ✓ Performing Arts opportunities
- ✓ Democracy in the Classrooms
- ✓ 3rd Space Learning – 1:1 Maths tuition
- ✓ Storytime - Edwardian Library
- ✓ News sessions and My Weekly newspaper
- ✓ Reading Hub & reading Sheds
- ✓ Links – Community and feeder schools
