Class Novel

Each day, we take turns to read our class novel to our friends!
Well done to all of our readers today!

Character Education

PHSCE

Great work in PHSCE - Happy Healthy Children.

Personal, Social, Health & Economic Education.

Community Links Assembly

Mr Garlick visited school today to tell the story of a Jesus washing the disciples feet. We discussed ways in which we could help each other and our family and how we are all equal.

Personal, Social, Health & Economic Education.

Character Education

Robinwood Residential Visit

Year 5 spent a wonderful time at Robinwood enjoying the great outdoors and working together.

Alien Challenge Course

Physical Health & Active Lifestyles

Robinwood Residential Visit

Canoeing and Caving Team.

Character Education

Robinwood Residential Visit

Throughout their visit, the children were decision makers, displayed exceptional manners, were confident, resilient, were kind and caring towards each other, worked independently and as part of a team and were respectful to each others needs.

Well done everyone!

Community Links

Library Visit

Reception had a lovely morning at the library today. We listened beautifully to a fairy tale story and then decorated a little elf using coloured pens and fabrics. The children really enjoyed themselves .

Character Education

Red Nose Day

School Event

The children have designed and decorated biscuits to celebrate Red Nose Day .
They were delicious.

Citizenship

Red Nose Day

School Event

As part of our Red Nose Fun day we listened to the story of Mr Funny's Red Nose.

Citizenship

Personal, Social, Health and Economic Education

Jigsaw

Little Moons and Little Stars have been talking about things we are good at.

Careers Education, Information, Advice and Guidance

National Science Week Book Based Assembly

We are celebrating National science week. The children have been learning about famous inventors in this weeks assembly.

Careers Education, Information, Advice and Guidance

National Science Week Book Based Assembly

As it is National Science Week we have had great fun conducting our own experiment this morning! We have followed a set of instructions and tried to make our very own yummy ice-cream! If it works we will be tasting it this afternoon .

Outdoor Learning

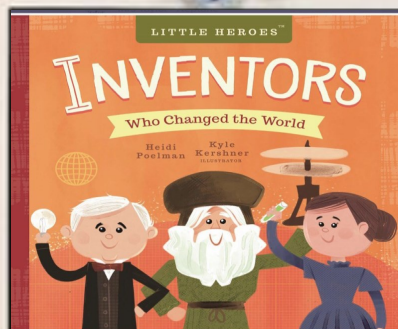

The children have built a house for Granny and acted out the story of Little Red riding hood .They have solved number problems and looked after our flowers.

Character Education

National Science Week Book Based Assembly

As part of British Science Week we have read the story 'Inventors Who Changed the World'. We discuss which invention we thought was the most important and why. The children were encouraged to think about if they were able to go back in time and invent one thing, what it would be and why?

Careers Education, Information, Advice and Guidance

Bike Ability

Year 6 have been learning vital 'bike ability' skills. They have the opportunity to gain new skills and techniques or even benefit from a refresher course of bike safety and how to apply them to everyday life outside of school.

Physical Health and Active Lifestyles.

Character Education

Easter Winners

Our wonderful Easter Egg winners! All children have worked so hard this term... they will all be getting a little treat!

Character Education

Musical Superstars

Our musical superstars performed at The Sage last night with Durham Music Service. We hear them rehearsing in school every week and we think they are brilliant.

Physical Health & Active Lifestyles.

Fabulous Football

As it is National Science Week we have had Our fabulous football team who won the Watson Cup League trophy last night. An absolutely fantastic performance - we are so proud of you all.

Football Success

Another football success for Cestria. The team won the Watson League Cup at Lumley after school today, following our 5 a side success.

The team are still in the County Cup after Easter and are also hunting league glory! They're an absolute joy to coach!

Physical Health and Active Lifestyles

Superstar Swimmer!

Our Superstar swimmer has been ranked 7th in the whole of Great Britain for the 50m butterfly. What a fabulous achievement - we are so proud of you!

Physical Health and Active Lifestyles

5 a Side Football Success

Well done to the 5 a side football team who finished 2nd in the county. Winning 2 out of their 3 games.

Physical Health and Active Lifestyles

Community Links

Tree Planting

This morning, Year 5 spent time with OASES staff who helped us take part in a tree planting activity at Picktree Lodge. We planted hazel, silver birch and holly trees which hopefully, in 30 years time, should be fully fledged trees.

Physical Health & Active Lifestyles

Cheerleading Success

More trophies for our little cheerleader!

Careers Education, Information, Advice and Guidance

Refuse Café Visit

What a fabulous afternoon we have had at Refuse Cafe learning all about their fantastic work .

Peer to Peer at Park View

This morning we were invited to Park View school to take part in a notebook design workshop. The children thoroughly enjoyed themselves and produced some superb designs.

Community Links

Art and Design Club

Fabulous puppets made by the children in Art and Design Club this half term.

Mental Health & Wellbeing

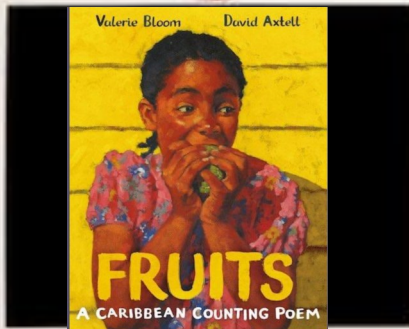

Reading Buddies

The children brought home their login details for our new digital reading service.

We have been looking at how to use this in class and the types of texts the children can access.

Character Education

British Values

Book based Assembly

Based book assembly was fruits - A Caribbean Counting Poem.

We loved talking about the exotic fruits and sharing our own favourites.

Community Links

Lego and Reading Workshop

A lovely trip out to the library this morning. We shared a story then showed amazing teamwork building models from Lego.

Careers Education, Information, Advice and Guidance

Refuse Café Visit

Year 4 had a tour of the warehouse so we could follow the food journey from collection to distribution, had a go at organising food stuffs, investigated how to check the freshness of eggs and then chilled with a snack and a chat with our friends. We are so excited to begin the Eatsmart programme after the Easter holidays to try to reduce food waste in our school.
